## The compact entry-level model. TRIANGO 60

From summer 2023, the TRIANGO 60 will enrich the range of lights for minor procedures and treatments. Its minimalist design is striking. Thanks to an intuitive pushbutton, the illuminance of 60,000 lux at 1m can be continuously adjusted. It is suitable for the versatile daily routine in family practices and clinics as well as in gynecology, dermatology or veterinary medicine.

### Variable mounting options

Whether mounted on the ceiling, on the wall or on the Derungs roller stand – TRIANGO 60 can be used wherever its homogeneous light field is needed. And in the event of faults in the input power source or mains power, the TRIANGO 60 battery provides an uninterrupted power supply so that it can continue to light up without interference.

### Hygiene made simple

Good design dispenses with unnecessary details and places value on building structures that are as self-contained as possible. The benefit of this is that our TRIANGO 60 can be cleaned very quickly and effectively. A real plus in everyday practice.
